

EVERPURE® Water Filtration

Filter with head

Filter without head

Water is the main ingredient in every beverage you drink.

Taste the difference good water makes. Did you know that 98% of coffee is water? That's why we have joined forces with EVERPURE to make available a water filter that can be installed on your coffee brewer or water filtration cooler water-line. EVERPURE filters will eliminate any impurities and ensure clean, quality water and great tasting coffee too!

Features:

- 1/2 micron filtration
- 1,500 gallon capacity
- Automatic shut-off
- Easy installation
- Backed by EVERPURE, Inc., a leader in water purification.

Your Coffee-Break Will Never Be The Same
