THINK FRESH!™

Introducing the Flavia Creation 500 from Mars drinks. We create great tasting moments in your workplace.

The FLAVIA C500 brewer offers a wide variety of coffees, teas, hot chocolate and specialty drinks. Just drop a Freshpack into the open door, close and you are ready to go. You can even combine two packs to create cappuccinos, mochas and lattes.

All fresh ground coffees, real leaf teas, hot chocolate and other specialty drinks are factory packed and sealed to ensure only the freshest drinks every time.

Because Freshpacks are only made for the workplace, people will enjoy the beverages there and there alone, helping to have greater control over stock and expenses.

Features include:
