

## Fresh Ice in Your Office!

Sleek, elegant and compact ice machine and dispensers that complement your office aesthetic. The 7 Series is available as countertop and freestanding models and is also available in undercounter models.

The 7 Series which holds 7 lbs of ice storage, is ideal for a 25-30 person office.

### Features include:

- Drainless – no drain is required; place it anywhere there are water and electric utilities.
- Sanitary – touch dispense eliminates direct contact with ice.
- Efficient – energy and water consumption is less than similar sized cube type ice makers.
- Attractive – stylish design complements any work space.
- Antimicrobial – Agion® antimicrobial treatment of critical components inhibits bacteria and biofilm growth on the treated surface.
- Refreshing – consumer preferred ice and optional water filtration provide high quality refreshment.

### Specifications:

Countertop Dimensions: 17.62" H x 14.62" W x 22.2" D

Tower Dimensions: 42" H x 14.62" W x 22.2" D

Electrical: 120V ac

Plumbing: ¼" plumbed cold water

Your Coffee-Break Will Never Be The Same
