

TASSIMO
PROFESSIONAL

Transform from office coffee to office coffeehouse, with the Tassimo T-300 it's almost as if there's a barista inside!

This intelligent brewing system features scannable T-Discs that contain a precise amount of premium ground coffee, tea or chocolate. The bar code reader assures a custom brew by controlling water temperature, pressure, volume, flow rate and infusion time to prepare a perfect cup.

This brewer offers delicious coffees, teas, espressos, hot chocolates, cappuccinos and lattes with real milk creamer for a delicious variety of barista-quality beverages with no barista needed.

Features include:

- Cups sizes: 2.5oz, 5oz, 6.75oz, 8oz
- User friendly LCD display provides simple, easy-to-follow instructions
- Internal waste bin stows away ejected T-Discs without mess
- Self cleaning technology uses steam to automatically purge brewing components after every drink
- Hot water option (must insert disk first)
- Pour-in water or direct water line plumbed
- Vending compatible
